3. The permitted use period, as approved on the Application, includes set-up and clean-up for the event. Permittee may request early set-up the day before their event for a 2, 3, or 4 hour window. District Manager(s) will go over fees with Permittee, if applicable. Permittee may be allowed to use the District Manager's driveway ('staging area') (accessed via Florido Avenue behind Clubhouse) to unload and load items for the event **if agreed to** by the District Manager(s). Unauthorized use of the District Managers' driveway or blocking of vehicles in the driveway may lead to towing of the blocking vehicle or withholding of security deposit. In the rare event Permittee needs to leave items on-site overnight, they could be permitted to use the 'staging area' to store and tarp their items until the following morning, but they must seek explicit approval from District Managers. If allowed, items in the 'staging area' **MUST** be picked up by 9AM the following day. If items are not removed from the 'staging area' by 9AM the following morning, the LSBRD will withhold the entire deposit. **If permittee does NOT use the staging area to leave party equipment overnight and keeps items in the Clubhouse overnight, the security deposit will be retained. This must be agreed upon before the event date. There are NO day-of event allowances to leave any items overnight inside Clubhouse or on LSBRD grounds.**
